

ACCRUE

Give your customers the digital experience they want.

Reality check: your customers now EXPECT a digital experience that has the same bells and whistles associated with big bank tech. Accrue can help you make that happen.

Digital Account Opening

A stand-alone product offering or seamlessly embed it as part of your lending process

Digital Lending

Intuitive workflows, customizable decisioning processes, and powerful automation tools create a delightful experience for both borrower and lender

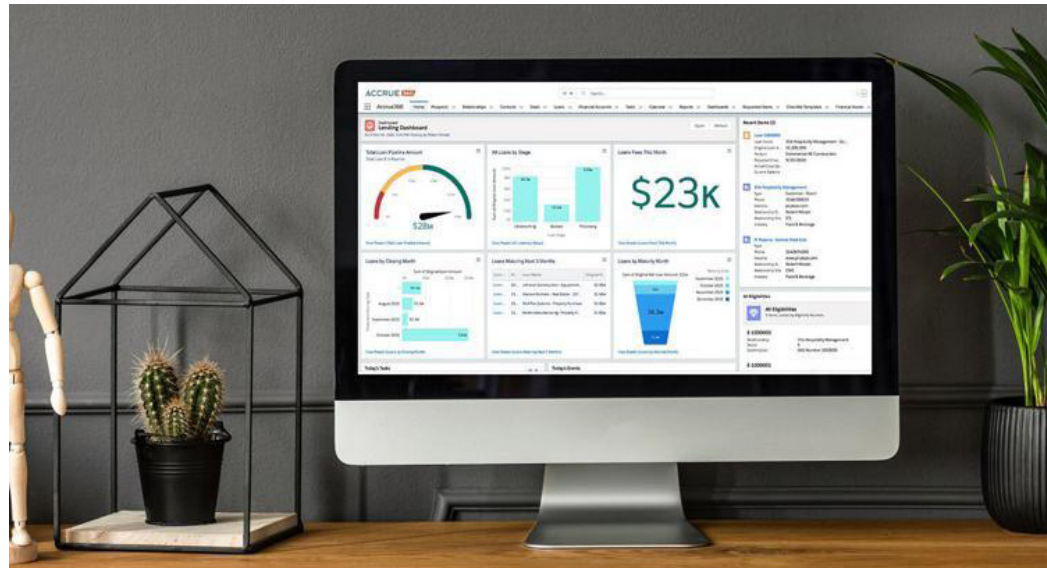

Core and Fintech Connectivity

Prebuilt integrations make it possible for your legacy core to connect to the leading fintech platforms that you need.

It's time to make the digital transformation.

Delight your customers and wow your employees with an efficient and affordable banking and lending lifecycle platform.
